

# Central Coast Leagues Club Bridge Club

This plan is to be read in conjunction with the *Central Coast Leagues Club COVID-19 Safety Plan, current version, available on the CCLC website*. It relates to the conditions for operation of the CCLCBC, as an internal club of CCLC.

## **Wellbeing of staff and customers**

*Entrance conditions covered by Central Coast Leagues Club COVID-19 Safety Plan.*

**NO STANDBY** will be provided.

Payment should be the exact amount to be collected by the director. The director will act as Covid-19 Marshall. The director may play with their regular partner.

Only food and drink purchased from the Leagues Club will be permitted in the playing area. Chilled water will be provided.

## **Physical Distancing**

Masks are no longer mandated but still recommended.

Although there are no more density restrictions, we still need to keep 1.5 metres apart (where possible).

## **Ventilation**

*Conditions covered by Central Coast Leagues Club COVID-19 Safety Plan.*

## **Hygiene and cleaning**

A hand sanitiser dispenser will be available for members to sanitise their hands on entry.

Bidding boxes will be used, and if communal, will be allowed to sanitise for four days. At the end of play, the director will collect boards, BridgeMates & table numbers.

## **Record Keeping**

*Conditions covered by Central Coast Leagues Club COVID-19 Safety Plan.*
